***GET FEWER CATALOGS:*** The Natural Resource Defense Council and the National Wildlife Federation are

sponsoring a new website which allows you to unsubscribe to unwanted catalogs. The site is [www.catalogchoice.org/optout](http://www.catalogchoice.org/optout). To be removed from a mailing list, you will need to enter the customer number from the address label onto the website.

***Village Tree Report:*** The Village trees have had their annual pruning, and several were removed. During pruning, it was apparent that many of the older trees, particularly the oaks, suffered damage and dieback because of the severe drought last year. To keep from losing our larger trees, PLEASE help by deep watering regularly. It costs 50 years and \$6,000 to replace them.

***County Police Crime Data:*** The Montgomery County Police Department implemented a new crime data service on February 1, 2008. This will enable residents to access neighborhood crime incident information via the Internet, 24 hours a day. Users of the service may also elect to receive free e-mail alerts of crimes which occur close to their homes. Enter [www.CrimeReports.com](http://www.CrimeReports.com), then click on the Maryland map, then Montgomery County Police.

***NEIGHBORHOOD-WIDE yard sale:***

See the flier on Page 3 for details of the sale of the year on **Saturday, April 26<sup>th</sup> from 9 to 1.**
